None of them are close at all! The F and O are the only close ones, the rest have different angles and
everything Zach Zurn February 18, 2013 A lot of logos that use a particular font are slightly modified
so as to produce a more original look. Zach Zurn April 3, 2013 Looks like it. The F and k still look
similar but the other letters have changed (Note the letter a). The requested URL
